INDIA'S NO.1 TRADE FAIR FOR HOSPITALS, HEALTH CENTRES AND CLINICS

Medical Fair India 2025: A Landmark 30th Edition Set to Redefine India's Healthcare Landscape

From 27 to 29 March 2025, Bharat Mandapam (Pragati Maidan) in New Delhi will become the converging point for healthcare professionals from around the world.

New Delhi, India – March 2025 – Medical Fair India, India's premier trade fair for hospitals, health centers, and clinics, is poised to mark a significant milestone with its 30th edition, scheduled to take place from **27-29 March** at the prestigious Bharat Mandapam, New Delhi. This year's event promises to be a pivotal platform for the medical devices, surgical goods and healthcare industry, reflecting the nation's growing commitment to healthcare excellence.

Organised by Messe Düsseldorf India under the MEDICARE ASIA umbrella, Medical Fair India 2025 arrives at a time when the Indian healthcare sector is witnessing unprecedented growth. With the government's allocation of INR 95,957.87 crore in the FY26 budget, a 9.46% increase from FY25, the industry is poised for transformative advancements driven by technology, regulatory changes and evolving healthcare demands.

Global Participation & Diverse Range of Products

350+ exhibitors from 15+ countries, including China, Czech Republic, Germany, India, Italy, Japan, Malaysia, Netherlands, Singapore, South Korea, Taiwan, Thailand, UAE, UK and USA; will showcase a comprehensive range of products and solutions driving the industry forward. The product range on display includes medical devices, healthcare technology & IT solutions, hospital equipment, laboratory equipment, pharmacy equipment, rehabilitation aids, components, infrastructural products and more. Country pavilions from China, Taiwan and Korea will highlight cutting-edge medical advancements from their respective nations, enabling a 'Healthcare for the World' approach at Medical Fair India.

Elaborate Visitor Groups

Spanning 15,000 square meters, the exhibition will attract a broad spectrum of healthcare professionals, including **doctors, hospital directors, administrators, laboratory technicians, pharmacists as well as distributors, traders and leaders from government & academia.**

Specialised Pavilions and Conferences

What makes Medical Fair India a truly sought-after event is its ability to identify key areas of focus and develop a comprehensive programme that integrates not only a diverse product showcase but also focused pavilions and thought leadership in the form of highly specialised conferences. The special features at this edition include:

- **9th Voice of Healthcare International Healthcare Conference** on Day 1 of the event will focus on 'Innovation, Integration and Impact', bringing together policymakers, healthcare leaders and innovators to devise strategies for improving health coverage and fostering innovation and collaboration.
- **Clin Lab - Diagnostica Pavilion (In Vitro Diagnostics) & Clin Lab India Conference:** This segment of the exhibition showcases In Vitro Diagnostic & Point of Care equipment and machinery. Focusing on the theme 'Democratizing Diagnostics: The Domestic vs. Global Conundrum', the 6th edition of Clin Lab India Conference will address the needs that Indian IVD Sector would be catering to.
- **5th Smart Hospitals Conference:** Exploring the 'Future of Healthcare - SMART, Sustainable, Resilient Healthcare' with a focus on AI and sustainability, the conference will talk about building sustainable healthcare facilities.
- **Rehaindia:** This segment will showcase rehabilitation solutions and technologies for inclusion and empowerment of persons with disabilities.
